Privacy collection notice: Telephone or online

Department of Health and the Victorian Rural Generalist Program – Client Relationship Management database on the Queensland Rural Generalist Pathway – Services Improvement Management System (VRGP-CRM on SIMS)

OFFICIAL

Physical or telephone application

Your privacy is important.

In order to complete your application for the VRGP you will need to answer questions about yourself and the Rural Generalist training you are wishing to register interest for.

The information you enter will be used for the purpose of matching you to a training post, providing you with support during your placement, verify your registration credentials, monitoring your journey throughout the placement and to identify your practice and rural practice location. You may be contacted periodically to confirm such details. Your de-identified and aggregated information will also be used to report how well the VRGP training program is working to the Victorian and Commonwealth Governments and/or to the Department's contractors.

We will house and store your VRGP training post application information on our secure VRGP-CRM database system. This database is housed separately on the Queensland Department of Health's network but will not be accessed or seen by the Queensland Department other than by limited authorised Queensland Department employees for the purpose of database technical maintenance.

To know more about your privacy and to contact us, see our Privacy Statement at vicruralgeneralist.com.au
